Prepare for your arrival in France and think about your social protection!

Registration for Health Insurance is **free of charge and mandatory**. It means your health costs will be covered throughout the duration of your studies.

Your registration for Health Insurance

When you arrive in France, and after having obtained your certificate of enrolment in a higher education institution, you must register at the dedicated **Health Insurance** website etudiant-etranger.ameli.fr. You will have to provide the mandatory information and submit the requested supporting documents.

Browse the website before registering [here](#).

Your documents to bring to France

Before you arrive in France, make sure you have the following documents in digital format:

- **Evidence of civil status**
- **Evidence of identity (passport, identity card, etc.)**
- **Student visa**

After you arrive in France, you will also need the following to **register for Health Insurance**:

- **Certificate of enrolment for the current university year**, provided by your institution
- **Residency permit**, provided by the Prefecture

Obtain all of these documents as soon as possible so you can quickly finalize your registration.
