VIBOT Master International programme in Vision & Robotics
Academic year 2025-2026
List insurance providers for students

Màj : 24/03/2025

READ CAREFULLY

- Before chosing any insurance, read the Student Practical Guide. The choice of insurance remains the student's responsibility.
- **Don't forget** : Check and compare the various offers and only sign a contract (or any other insurance contract such as for housing) if you are sure. This commits you to your Insurance.
- Check if tacit renewal applies to your contract.
- French banks also offer insurance policies, you can inquire with them (see the list of bank)
- This is a non-exhaustive list, for more information about insurances in Le Creusot, you can follow the link below:
