2 year - English taught Master programme

Additional FRANCE SPECIFIC application procedure for academic year 2023-24

Master programme applicants residing in one of the countries listed [HERE](#), must also carry out a French national procedure which is called:

➔ The **Etudes en France (Studying in France)** procedure, managed through **Campus France** Links:

<https://www.campusfrance.org/en/application-etudes-en-france-procedure>
https://ressources.campusfrance.org/pratique/eef/en/Je_Candidate_en.pdf
<https://www.campusfrance.org/en/espaces>

This France specific procedure comes in addition to the **VIBOT Master programme application**. These are two separate application processes and have different deadlines. Start them timely and simultaneously.

Studying in France application period: October 1, 2022 – **January 1, 2023***

*This deadline may vary from one country to another. See with your local Campus France office for confirmation and assistance/further information.

❖ If you reside in one of the countries affected by the **Studying in France** procedure:

- Follow the **Campus France** link informing you about the *Studying in France* procedure and create your account (top right in red part of the banner):
<https://www.campusfrance.org/en/application-etudes-en-france-procedure>
- Access the **Studying in France platform** to apply (see link below).
Sign up (if not done yet) and **sign in** (top right), then **start your application procedure**:
